Fiscal 2014 year-to-date sales for the first 10 months were \$63.65 billion, an increase of 6.0 percent from \$60.04 billion in fiscal 2013.

Walgreens opened 15 stores during June, including three relocations, and closed 13. Nearly all of the June store closings were part of the company's previously announced efforts to optimize its asset base by closing a total of 76 drugstores.

On June 30, Walgreens operated 8,319 locations in all 50 states, the District of Columbia, Puerto Rico, Guam and the U.S. Virgin Islands. That includes 8,215 drugstores, 117 more than a year ago, including 70 net stores acquired over the last 12 months. The company also operates infusion and respiratory services facilities, specialty pharmacies and mail service facilities. Its Take Care Health Systems subsidiary manages more than 400 in-store convenient care clinics.

Please note: Sales numbers and the adjustments shown in the table are preliminary, unaudited and subject to revision. Comparable stores are defined as those drugstore locations open for at least 12 consecutive months without closure for seven or more consecutive days and without a major remodel or a natural disaster in the past 12 months. Acquired operating locations and relocations are not included as comparable stores for the first 12 months after the acquisition or relocation.
